Improve Your English & Maths

Worth your time.

Improving your English and Maths can help you get more out of your life in the UK. It will also help if you want to study, improve your CV, get a job or apply to become a British citizen.

If you would like to improve your English you can do a **FREE ESOL** (English for Speakers of Other Languages) or **Functional Skills English** course. If you would like to improve your Maths you can do a **FREE Functional Skills Maths** course.

Functional Skills qualifications in English and Maths are recognised qualifications that will make it easier to:

- Get a job or take further courses
- Understand the laws and customs of the UK
- Manage your finances
- Pass the Life in the UK test and become a British citizen

Worth contacting.
